# Reporting questionnaire

## Gender equality indicator 1: Gender composition of workforce

This indicator seeks information about the gender composition of relevant employers in a standardised format, to enable the aggregation of data across and within industries. The aggregated data in your workplace profile assists relevant employers in understanding the characteristics of their workforce, including in relation to occupational segregation, the position of women and men in management within their industry or sector, and patterns of potentially insecure employment.

**NB. IMPORTANT:**

- References to the Act mean the Workplace Gender Equality Act 2012.
- A formal 'policy' and/or 'formal strategy' in this questionnaire refers to formal policies and/or strategies that are either standalone or contained within another formal policy/formal strategy.
- Data provided in this reporting questionnaire covers the TOTAL reporting period from 1 April 2019 to 31 March 2020. (This differs from the workplace profile data which is taken at a point-in-time during the reporting period).
- Answers need to reflect ALL organisations covered in this report.
- If you select "NO, Insufficient resources/expertise" to any option, this may cover human or financial resources.

**1.13 If your organisation would like to provide additional information relating to gender equality indicator 1, please do so below.**

RANZCOG has a Gender Equity and Diversity Working Group that will consult with the WGEA to develop policies and procedures in relation to these areas.

## Gender equality indicator 2: Gender composition of governing bodies

Gender composition of governing bodies is an indicator of gender equality at the highest level of organisational leadership and decision-making. This gender equality indicator seeks information on the representation of women and men on governing bodies. The term "governing body" in relation to a relevant employer is broad and depends on the nature of your organisation. It can mean the board of directors, trustees, committee of management, council or other governing authority of the employer.

- 2. The organisation(s) you are reporting on will have a governing body. In the Act, governing body is defined as "the board of directors, trustees, committee of management, council or other governing authority of the employer". This question relates to the highest governing body for your Australian entity, even if it is located overseas.**

**2.1 Please answer the following questions relating to each governing body covered in this report.**

**Note: If this report covers more than one organisation, the questions below will be repeated for each organisation before proceeding to question 2.2.**

**If your organisation's governing body is the same as your parent entity's, you will need to add your organisation's name BUT the numerical details of your parent entity's governing body.**

**2.1a.1 Organisation name?**

The Royal Australian and New Zealand College of Obstetricians and Gynaecologists (RANZCOG)

**2.1b.1 What gender is the Chair on this governing body (if the role of the Chair rotates, enter the gender of the Chair at your last meeting)?**

	Female	Male
Number	0	1

**2.1c.1 How many other members are on this governing body (excluding the Chair/s)?**

	Female	Male
Number	3	5

**2.1d.1 Has a target been set to increase the representation of women on this governing body?**

- Yes
- No (you may specify why a target has not been set)
  - Governing body/board has gender balance (e.g. 40% women/40% men/20% either)
  - Currently under development, please enter date this is due to be completed  
November 2021.  
Target has been set at 40% Female/40% male/20% either.
  - Insufficient resources/expertise
  - Do not have control over governing body/board appointments (provide details why):
  - Not a priority
  - Other (provide details):

**2.1g.1 Are you reporting on any other organisations in this report?**

- Yes
- No

**2.2 Do you have a formal selection policy and/or formal selection strategy for governing body members for ALL organisations covered in this report?**

- Yes (select all applicable answers)
  - Policy
  - Strategy
- No (you may specify why no formal selection policy or formal selection strategy is in place)
  - In place for some governing bodies
  - Currently under development, please enter date this is due to be completed  
This will be completed by December 2020. We currently have a strategy in place.
  - Insufficient resources/expertise
  - Do not have control over governing body appointments (provide details why)
  - Not a priority
  - Other (provide details):

**2.3 Does your organisation operate as a partnership structure (i.e. select NO if your organisation is an “incorporated” entity - Pty Ltd, Ltd or Inc; or an “unincorporated” entity)?**

- Yes  
 No

**2.5 If your organisation would like to provide additional information relating to gender equality indicator 2, please do so below.**

RANZCOG has a formal election process in place in regards to Board composition.

## Gender equality indicator 3: Equal remuneration between women and men

Equal remuneration between women and men is a key component of improving women’s economic security and progressing gender equality.

**3. Do you have a formal policy and/or formal strategy on remuneration generally?**

Yes (select all applicable answers)

- Policy  
 Strategy

No (you may specify why no formal policy or formal strategy is in place)

- Currently under development, please enter date this is due to be completed  
 Insufficient resources/expertise  
 Salaries set by awards/industrial or workplace agreements  
 Non-award employees paid market rate  
 Not a priority

Other (provide details):

RANZCOG staff are non-award employees and are paid at market rate. However, we are currently developing a remuneration policy.

**4. Have you analysed your payroll to determine if there are any remuneration gaps between women and men (i.e. conducted a gender pay gap analysis)?**

Yes - the most recent gender remuneration gap analysis was undertaken:

- Within last 12 months  
 Within last 1-2 years  
 More than 2 years ago but less than 4 years ago  
 Other (provide details):

No (you may specify why you have not analysed your payroll for gender remuneration gaps)

- Currently under development, please enter date this is due to be completed  
 Insufficient resources/expertise

Salaries for ALL employees (including managers) are set by awards or industrial agreements AND there is no room for discretion in pay changes (for example because pay increases occur only when there is a change in tenure or qualifications)

Salaries for SOME or ALL employees (including managers) are set by awards or industrial agreements and there IS room for discretion in pay changes (because pay increases can occur with some discretion such as performance assessments)

- Non-award employees paid market rate  
 Not a priority

Other (provide details):

We conduct yearly reviews of salaries and plan to do a gender comparison in 2020.

**4.2 If your organisation would like to provide additional information relating to gender equality indicator 3, please do so below:**

We review salaries annually to ensure that everyone is paid appropriately and that there are no gender remuneration gaps.

## Gender equality indicator 4: Flexible working and support for employees with family and caring responsibilities

This indicator will enable the collection and use of information from relevant employers about the availability and utility of employment terms, conditions and practices relating to flexible working arrangements for employees and to working arrangements supporting employees with family or caring responsibilities. One aim of this indicator is to improve the capacity of women and men to combine paid work and family or caring responsibilities through such arrangements. The achievement of this goal is fundamental to gender equality and to maximising Australia's skilled workforce.

### 5. A "PRIMARY CARER" is the member of a couple or a single carer, REGARDLESS OF GENDER, identified as having greater responsibility for the day-to-day care of a child.

**Do you provide EMPLOYER FUNDED paid parental leave for PRIMARY CARERS that is available for women AND men, in addition to any government funded parental leave scheme for primary carers?**

- Yes. (Please indicate how employer funded paid parental leave is provided to the primary carer):
- By paying the gap between the employee's salary and the government's paid parental leave scheme
  - By paying the employee's full salary (in addition to the government's paid scheme), regardless of the period of time over which it is paid. For example, full pay for 12 weeks or half pay for 24 weeks
  - As a lump sum payment (paid pre- or post- parental leave, or a combination)
- No, we offer paid parental leave for primary carers that is available to women ONLY (e.g. maternity leave). (Please indicate how employer funded paid parental leave is provided to women ONLY):
