

Certification in Urogynaecology (CU)

Subspecialty Selection 2024 (2025 entry) Information for Applicants

Applications Open: 15 January 2024
Applications Close: 15 February 2024

Interview Date: Friday, 10 May 2024

Applying to Enter Subspecialty Training

- Subspecialty Selection is a competitive process that determines eligibility to commence Subspecialty training and it does not guarantee a training position.
- Regulations pertaining to eligibility to apply for and to commence Subspecialty training, are outlined in the *RANZCOG Regulations Section C* found here: [RANZCOG Regulations](#)
- FRANZCOG trainees applying for Subspecialty, must have completed Basic Training including credit for at least 138 weeks (FTE) of satisfactory Basic Training, and be eligible to commence Advanced Training.
- it is expected that applicants will ensure they meet eligibility criteria before applying.
- All applicants are notified in writing throughout the process, as to the outcome of their application.
- Should a confirmation email not be received, please contact the College.

Late and incomplete application submissions will NOT be accepted

CU Subspecialty Selection Application Form and Documentation

- The CU Subspecialty Selection Application Form must be completed in English and submitted online.
- Apply here using the link provided here: [CU Subspecialty Selection Website](#)
- Subspecialty Selection information can be found here: [CU Subspecialty Selection webpage](#)
- The following must be submitted at the time of application:
 - A covering letter addressed to the Chair, CU Subspecialty Committee, Dr Alexandra Mowat
 - A current CV
- Additional material supporting the application and demonstrating the applicant's interest in the CU Subspecialty may be submitted as an Appendix to the application.
- Declaration of Authenticity is acknowledged upon submission of the application form and associated documents.
- Applicants will receive a confirmation email once the application has been received by the College.
Following this they will receive an email requesting their referee information.

Referee Criteria

- The applicant must provide details of **three** Referees:
 - A senior colleague (FRANZCOG) with whom the applicant has worked within the **last two years**.
 - Two colleagues with whom the applicant has worked within the **last two years**.
- If an applicant cannot submit a Referee as per above criteria, the Subspecialty Chair will assess the suitability of Referees on a case-by-case basis.
- Applicants who are currently in the FRANZCOG training program must nominate their current Training Supervisor as the senior colleague, or their last FRANZCOG Supervisor.
- If a trainee has recently moved training sites and has been with their current supervisor for less than 3 months, the College may require a reference from their previous Training Supervisor.
- Referees should not be a member of the Subspecialty Committee or a Selection Panel member of the Subspecialty applying for.
- Name and contact details, including email addresses and phone numbers of the Referees must be provided within the online *Referee Nomination Form* (once requested).
- The College will contact the Referees directly to request completion of a confidential Referee Report.
- Should the College not be able to contact the Referee, or not receive the confidential Referee Report within the time frame, applicants will be advised by the College, and additional referee details will be requested.

Important Note

- Applicants should request permission from their nominated colleagues prior to completing the Application Form.
- Applicants must not contact their Referees, regarding any aspect of their reference, after submitting their *Referee Nomination Form*.
- References are provided in strict confidence by Referees.

Subspecialty Selection Fees

Current fees can be found via the following link: [Subspecialty Selection Application fees](#).

A fee is payable at the time of application.

An interview fee is payable only if applicant is selected for interview. Payment must be made within one week of receiving notification from College,

*The Application and Interview fees are non-refundable.
