#### Trainee Rights, Responsibilities and Declaration

- I understand that the College acknowledges its responsibilities to facilitate a safe and supportive training environment for all trainees. I expect all College representatives who have a role in my training will fully understand and uphold information relevant to specialist and subspecialist training.
- I will endeavour to achieve the objectives of the training program, which are to acquire skills, knowledge, and competency in obstetrics and gynaecology practice in accordance with the FRANZCOG or relevant Subspecialty curriculum and RANZCOG Regulations. I understand that the curriculum and relevant Regulations are updated regularly and that it is my responsibility to keep up to date with changes as communicated by RANZCOG.
- I will receive direction from my Training Supervisor about what is expected at each training site, including the development of individual training goals. RANZCOG Trainees can approach and seek guidance from Training Supervisors, Integrated Training Program (ITP) Co-ordinators, or the Chair of the relevant State/Territory/NZ Training Accreditation Committee. Subspecialist Trainees can seek guidance from Training Supervisors or the relevant Subspecialty Committee Chair or members. If I do not feel comfortable discussing an issue with any of the above, I can contact my Trainees' Committee representative or a College staff member for guidance.

- I am aware that RANZCOG has a [special consideration and reconsideration process](#)<sup>2</sup> that I may instigate following which the processes described under Regulation A2.4 Review Procedures should be utilised, prior to lodging a formal appeal under Regulation A2.5 of RANZCOG Regulations<sup>3</sup>.
- I accept that it is my duty to notify the College immediately of any changes to my contact details or training arrangements, including changes to my employment and/or the employing authority, request for extended leave or prolonged illness which affects my ability to undertake training.
