## 1. PURPOSE AND SCOPE

All members, trainees, staff, and others travelling for College business must comply with the RANZCOG Code of Conduct and conduct themselves in a manner that reflects the standard of professional and ethical behaviour expected by the College.

The Travel and Accommodation Policy for the Royal Australian and New Zealand College of Obstetricians and Gynaecologists (RANZCOG; the College) covers all requirements relating to travel and associated accommodation undertaken by its members, College staff and other representatives on College business.

The purpose of this policy is to ensure:

- compliance with all legal obligations, including Duty of Care.
- maximisation of travel funds and effective management of the College's travel budget.
- equity of travel standards across the College; and
- streamlined travel processes.

The policy is applicable to all members, College staff and other representatives on College business and covers domestic (including Trans-Tasman) and international travel incorporating air; road; rail; vehicle hire; and accommodation. It is the policy of the College to provide reasonable and economical travel management services, for members, College staff and other representatives travelling intrastate, interstate, Trans-Tasman, or overseas on College business.

The purpose of these guidelines is to ensure that College staff undertaking duties on behalf of the College understand the circumstances, processes and limitations under which travel must be booked and expenses reimbursed.

Those undertaking duties on behalf of the College are eligible for reimbursement of any necessary out-of-pocket expenses incurred. Such expenses may include, but are not limited to:

- expenses associated with duties undertaken away from the normal work location.
- expenses incurred in using private vehicles.
- expenses incurred to travel to attend a meeting, exam, hospital inspection, workshop, interview or other necessary College function; and
- other out-of-pocket expenses that are considered necessary and reasonable.

## 2. DEFINITIONS

<b>Airport Lounge</b>	Facility offering premium services at airport for which a fee is payable
<b>Cabin Class, Business</b>	The class of fare after premium economy, but before first class
<b>Cabin Class, Economy</b>	The class of travel lower than premium economy
<b>Cabin Class, First</b>	The highest class of fare found on international airlines
<b>Cabin Class, Premium Economy</b>	The class of travel higher than economy class, but before business class
<b>College Business</b>	An action or requirement which facilitates the achievement of the College's objectives

<b>Contractor/Consultant</b>	A person or entity, who or which, provides services either personally, or through its employees, to achieve prescribed objectives or ends, and for a sum of money agreed prior to the work being undertaken
<b>Domestic Travel</b>	Travel to any destination within Australia (and its territories), within Aotearoa New Zealand by any carrier, and Trans-Tasman travel
<b>Duty of Care</b>	The College's legislative requirement to safeguard members, staff and other representatives who are required to travel on
<b>Expense Reimbursement</b>	Payment the College makes to travellers to cover accommodation, meals and incidentals
<b>Frequent Flyer Schemes</b>	Complimentary points rewarded to the traveller
<b>International Travel</b>	Travel to any destination outside of Australia (and its Territories) and outside of New Zealand by any carrier
<b>Travel Insurance</b>	Insurance cover for travellers for all travel on approved College business
<b>Travel Facilitator</b>	Person who books travel on behalf of travellers

### 3. AIRFARES

Corporate Traveller has been engaged to manage all domestic and international travel on behalf of the College.

Where possible, the best economy class fare of the day must be booked. If meetings times are uncertain, a flexible return fare may be booked.

Those travelling on College business should book in advance, preferably 21 to 42 days prior to departure, in order to obtain the cheapest fare with the least likelihood for changes.

When making your booking, please provide the travel consultant with the purpose of your travel (ideally a meeting name, committee name). A cost centre will be required at the time of the booking.

Private travel made in conjunction with College travel must be paid at the time of booking by personal credit card. Likewise, flight upgrades are to be paid at the time of booking by personal credit card or by using personal frequent flyer points.

Air travel using Frequent Flyer points will not be reimbursed.

#### 3.1 How to book flights

When arranging travel and/or accommodation for College business, staff covered under this Policy may use the Corporate Traveller online booking system [YOUR.CT](#). Staff will need to contact Corporate Traveller to set up YOUR.CT when they start employment. If there are issues with YOUR.CT or a more complex booking (including international travel) must be managed, contact Corporate Traveller directly by email

or phone. Contacting Corporate Traveller will incur an additional fee. When contacting Corporate Traveller, email is the preferred method as this ensures that a record of requests submitted are retained to facilitate accurate record keeping for both the College and Corporate Traveller.

Due to the College's contractual agreement, all flights must be booked using Qantas, unless Qantas is unavailable during the time required to travel.

Contact details for Corporate Traveller are as follows:

<b>YOUR.CT</b>	<a href="https://yourct.com.au/Account/Login">https://yourct.com.au/Account/Login</a>
Corporate Traveller Travel Manager:	Claire Miller
Email:	<a href="mailto:claire.miller@corporatetraveller.com.au">claire.miller@corporatetraveller.com.au</a>
Phone:	(03) 8535 1620
From overseas:	1300 189 693 or +61 7 3170 3844
Hours of operation:	8.00am – 6.00pm Monday to Friday

(Between business hours the team will answer the phone; after hours, this line connects to the 24-hour Emergency After Hours team)

All travel requests require the following details in order to complete the reservation:

- Name of traveller (as per Photo ID)
- Brief outline of travel requirements – departure point / destination / preference for airline (if Qantas is not available) / preference for hotel (if any apply)
- Applicable College reference – this includes cost centre and name of event/activity for the purpose of travel.

## 4. PERSONAL TRAVEL ARRANGEMENTS

Personal flights and/or accommodation can be made via Corporate Traveller. Personal flights and/or accommodation should be charged to personal credit cards rather than the College account.

Any personal travel arrangements that coincide with College related business must be arranged separately, with the cost and arrangements being the responsibility of the individual. Where this is not possible, full details must be provided to RANZCOG's Finance Team, together with the owed payment as soon as possible.

## 5. CLASS OF TRAVEL

Airfares are to be booked in economy class when travelling domestically. For the purpose of this policy, travel between and within Australia and New Zealand is considered domestic travel.

Members of the Board, Council and the CEO may book business class for trips if individual legs have a flight time exceeding three hours.

## 5.1 President

The President shall be provided with business class air travel within Australia, Aotearoa New Zealand, and overseas but may elect to use the best available airfare for travel if desired.

The President shall represent the College at up to three international meetings per year, with additional meetings requiring the approval of the RANZCOG Board.

The President's spouse/partner shall be provided with business class air travel to accompany the President at up to two international meetings per year.

Where the President's spouse/partner accompanies the President to meetings via domestic travel, economy class air travel shall be provided for the President and their spouse/partner.

*Refer to Allowances Payable to Members of Council and Committee Chairs Policy and Procedure for further information.*

## 5.2 Board Members and Members of Council

Air travel shall be by the best available economy class fare that enables flexibility on the date of travel. Where total travel time on scheduled flights to RANZCOG Board and Council meetings exceeds three hours on either a forward or return leg, travel may be business class for the leg(s) involved.

Where a RANZCOG Board Member has been nominated by the RANZCOG Board to represent the College at an international meeting or event, such as an international society congress, and there is no associated funding or support forthcoming, such as from the host organisation, the Board Member may be permitted to travel business class to the international meeting or event. In such circumstances, prior approval is required by the Chief Executive Officer (in consultation with the RANZCOG Board when required) before any travel arrangements may be made.

Board members shall be entitled to attend up to one international conference or meeting (including representative travel such as the Asia and Oceania Federation of Obstetrics and Gynecology Congress) during their Board term.

## 5.3 Immediate Past President

The Immediate Past President shall be entitled to attend up to one international conference or meeting (including representative travel such as the Asia and Oceania Federation of Obstetrics and Gynecology Congress) during their term.

## 5.4 RANZCOG Board-nominated members representing the College

Occasionally the RANZCOG Board will nominate a member to represent the College at an international meeting or event, such as an international society congress. Where there is no forthcoming funding or support, for example from the host organisation, the RANZCOG Board may permit the nominated member to travel business class to the international meeting or event. In such circumstances, prior

approval is required by the Chief Executive Officer (in consultation with the RANZCOG Board when required) before any travel arrangements may be made.

## 5.5 Committee members/Council representatives/members, College staff and other representatives

Committee members, Council representatives, members, College staff and other representatives shall travel economy class (best available fare of the day) on all flights.

Flights should be booked well in advance to ensure that the cheapest fare types (e.g., Red e-deals) are available.

## 6. FLIGHT BOOKINGS

Flight bookings should always be made as far in advance as possible to ensure that the best available fare of the day is obtained. Flights should not be booked under seven days, unless in special circumstances.

First class travel is not permitted under any circumstances.

### 6.1 Overseas airfares

Booking of airfares for international travel must have approval from the Chief Executive Officer.

## 7. ACCOMMODATION

Where possible, meeting times are arranged to allow travellers to travel to their scheduled meeting and return home on the same day. However, under some circumstances travellers may require accommodation either the night before or the night of a meeting.

Where a traveller is required to depart their place of residence before 6am, accommodation may be booked for the night before a meeting.

Where a traveller will not return to their place of residence until after 10pm, accommodation may be booked for the night of a meeting.

All times quoted above are considered to be the time local to the resident.

Personal expenses and expenses in excess of the maximum daily allowances are to be paid directly to the hotel upon check out. If any inappropriate expenses or items exceeding the maximum limit are charged to the College account, these will be passed on to the relevant person.

## 7.1 Booking accommodation

Accommodation may be booked through Corporate Traveller. You will be notified by your committee coordinator if there is a need to book travel in a particular manner.

Online bookings through websites such as 'wotif.com', 'booking.com', 'lastminute.com', 'booking.com' etc. are, however, permitted for convenience and economy. For members and other representatives, personal credit cards will need to be used in these circumstances, as prepayment is required. For College staff members, an authorised College credit card may be used. Expenses incurred will need to be claimed on the *Expense Reimbursement Claim Form*.

Both staff and members should always apply the most economical rates to accommodation (*see 8. Travel Allowances below*).

The accommodation provider in Melbourne, with which the College has an agreement, is The Royce. This hotel is located three minutes' walk from Djeembana College Place (1 Bowen Crescent, Melbourne). Corporate Traveller will book travellers on College business into this hotel.

## 7.2 Group accommodation bookings

If the College has arranged a group booking (also known as a block booking), it is required that travellers will use that facility. When a group booking has been arranged, all appropriate expenses may be charged to the College account (*see 8. Travel Allowances*).

Those who choose to stay at alternative accommodation will only be reimbursed for expenditure to the equivalent of the group booking rate.

# 8. TRAVEL ALLOWANCES

## 8.1 Australia and New Zealand

The following limits are the maximum daily rates applicable. Both staff and members should always apply the most economical rates to accommodation, meal and incidental expenses within Australia and New Zealand.

Accommodation*	\$350.00 per day
Breakfast**	\$45.00 per day
Lunch	\$45.00 per day
Dinner	\$80.00 per day
Minibar	\$12.00 per day

\*staff and members are eligible to claim up to \$55 per overnight stay when they chose to stay in private accommodation while undertaking College business in locations other than those in which they reside.

\*\* if breakfast is included as part of the accommodation package, a reimbursement will not apply.

## 8.2 Overseas

Reasonable accommodation and meal expenses incurred while travelling overseas on College business will be reimbursed with reference to the current [Australian Taxation Office \(ATO\) Taxation Determination](#).

Overseas expenses will be reimbursed in Australian or New Zealand dollars at the most current conversion rate.

## 9. USE OF VEHICLES

### 9.1 Car rental

If required for College business purposes, car rental may be booked through Corporate Traveller. Car upgrades are to be paid by personal credit card at the time of booking.

Cars may be rented when driving is more convenient or cost-effective than rail or air travel or where multiple taxis may be necessary over the course of a trip. Rental vehicles are to be fit for the purpose of the travel and in accordance with the current type of driver's licence the registered driver has.

The College will not fund vehicle rental for private use.

### 9.2 Private vehicle use

Private vehicles are able to be used for College Business.

Reimbursement for personal vehicle use incurred while traveling on College business will be made at the rate of

\$0.85 per kilometre in line with the current 2023-24 year [Australian Taxation Office \(ATO\) guidelines](#). For New Zealanders the mileage rate for motor vehicles is \$0.95 per kilometre. The rates are reviewed each year by the Australian Taxation Office.

The claimant must state the distance travelled in kilometres, provide the origin and destination of the trip, and details of the purpose of the journey.

The mileage allowance covers both proportionate costs related directly to the use of the vehicle (fuel, oil, tyres, etc.) and proportionate fixed costs (registration, insurance, etc.). The latter includes the loss of any 'no claim' bonus if an accident occurs while the vehicle is being used for College business.

When a private vehicle is used for longer trips and the mileage allowance exceeds the cost of the most economical airfare available as determined by the Finance Team, the lesser amount will be paid.

Claims for reimbursement of expenses incurred for approved use of a personal vehicle on College business can be made using the *Expense Reimbursement Claim Form*.

### 9.3 Public transport

Public transport may be used for travel to and from a College business-related event and the costs incurred

will be reimbursed upon the presentation of appropriate receipts.

## 10. PARKING

The College will reimburse car parking costs incurred whilst on College business and the car is parked in locations other than the usual workplace.

### 10.1 Airport parking

Those driving a private vehicle to an airport will be reimbursed for parking expenses. Where appropriate, long-term parking should be used.

Valet parking is not permitted, except for the President.

## 11. TAXIS AND UBER

The College will reimburse taxi travel as required. The use of corporate limousines for College business will only be reimbursed to the value of an equivalent taxi trip.

A taxi or Uber may be used in the following circumstances:

- For transport to and from official College business functions (e.g., meetings, conferences and seminars).
- For transport home by College staff after working pre-approved overtime and where personal safety is a consideration.
- For transport from and to home in relation to work-related air travel. This may include transport to airports, hotel/motel and official College business functions; and
- For transport home by College staff in the event of illness or emergency.

Taxi fares will be reimbursed upon the presentation of appropriate receipts.

*Refer to Expense Reimbursement Policy and Procedure.*

### 11.1 Taxi card / Cab charge

Board members and the Chief Executive Officer of the College may be issued with a Taxi Card/ Cab charge.

Taxi cards are only to be used by the person that they have been issued to and are to be used for College business only. Lost, stolen or damaged Cards should be reported to the College for immediate cancellation.

## 12. STAFF TRAVEL APPROVAL

All staff of RANZCOG must seek approval for travel prior to any travel arrangements being made and prior to undertaking travel. Any staff member who is required to travel for work purposes must complete a Staff

Travel Request Form and have it authorised by the appropriate Manager, Executive Director or Chief Executive Officer.

## 13. TRAVEL INSURANCE

The College has a travel insurance policy to cover all requirements for members, trainees, College Staff and other representatives while travelling on College business. It is not necessary to take out further insurance while undertaking College business. Incidental private travel taken either side of or during an authorised business trip will be covered, provided such private travel does not exceed 60 per cent of the trip in its entirety. Where coverage of the private portion of travel does not exist under this policy, members, College staff, and other representatives travelling on College business are advised to ensure that their own travel insurance arrangements are appropriate.

Insurance coverage includes personal accident and sickness, kidnap and ransom/extortion cover, hijack and detention, medical and additional expenses and cancellation and curtailment, loss of deposits, loss of baggage and money/travel documents, personal liability, rental vehicle excess waiver, missed transport connection and political and natural disaster evacuation.

Accompanying persons or dependents travelling with members, community representatives, College Staff and other representatives on College business are covered under the College's travel insurance policy, but only when travelling together.

Please contact the College's Corporate Services Department for further information.

**Policy name:**

The Royal Australian and New Zealand College  
of Obstetricians and Gynaecologists

### 13.1 Emergency

The College will assist, repatriate and/or evacuate travellers who are covered under the College's travel insurance policy, where necessary for medical and other emergencies the traveller may experience while travelling for work-related trips.

A copy of the *RANZCOG Travel Insurance Policy* is available upon request.

## 14. DESTINATION RISK AND ADVICE

The Commonwealth Department of Foreign Affairs and Trade (DFAT) maintains travel advisories for most destinations to help Australians travelling overseas. Information for specific countries can be obtained

from the DFAT website (<http://www.smartraveller.gov.au>).

The New Zealand Ministry of Foreign Affairs and Trade (NZMFA) maintains travel advisories for most destinations to help New Zealanders travelling overseas. Information for specific countries can be obtained from the following website: (<https://safetravel.govt.nz/>).

All travellers on College business must take responsibility for monitoring the DFAT or the NZMFA website to ensure that travel is only undertaken according to these determinations.

Travel advisories fall into five levels as follows:

1. Be alert to your own security.
2. Exercise a high degree of caution.
3. Monitor developments that might affect your safety.
4. Reconsider your need to travel.
5. Advised not to travel.

The following will be used as a basis for determination:

- When exercising decisions about the booking of travel, no travel bookings should be made to countries subject to a travel advisory level 4 or 5.
- When travel has been booked, a review of the current travel advisory must be undertaken seven days prior to the commencement of travel, and where the advisory indicates level 4 or level 5, then all travel plans should be cancelled or postponed until the advisory is reduced to a level 1, 2 or 3.
- If during travel, a threat advisory is issued in the level 4 or 5, steps should be taken to make arrangements for the trip to be terminated.

The CEO will not, in any circumstance, approve any application to travel against the advice of DFAT or NZMFA.

All travellers on College business must take responsibility for monitoring international laws on border security, and travel security regarding electronic devices.

## 15. REIMBURSEMENT OF EXPENSES

All requests for reimbursement are to be submitted to the College on the *Expense Reimbursement Claim* form. Expenses incurred in foreign currency will be reimbursed in Australian dollars at the conversion rate current at the time of making the reimbursement.

All hard copy claims must be accompanied by original receipts, tax invoices or other documents to substantiate the expenses incurred. If sending the form electronically, a legible scan of original receipts/invoices must be attached. A description of expenses and purpose of the travel (i.e., meeting/workshop/exam) is to be detailed on the form.

Refer to *Expense Reimbursement Policy and Procedure* for further information.

Once received by the College, the form will be approved by the relevant Manager, Executive Director or Chief Executive Officer in accordance with these guidelines.
